## $600 \times 1200$

Modern colors and sensual textures are of a new space that goes beyond the concept of ceramics collection. These come in a broad range of formats, bring to life a play between color and texture, where the only rule is the inspiration stirred by our instinct and personal taste. A spectrum of unique size $600 \times 1200 \mathrm{~mm}$ to display our way of life, for those who want to create a living space with character- exclusive and inimitable like each of us.

## Features

Tiles' true character is in the smallest details with environment friendliness. It is as important to take people and nations to hold in thralls as to manage minimal wastage, keep surrounding environment free of pollution and justify ECO system every stage of production and supply chain.
